Coursera

Structuring Machine Learning Projects

by deeplearning.ai

Welcome to Structuring Machine Learning Projects! You're joining thousands of learners currently enrolled in the course. I'm excited to have you in the class and look forward to your contributions to the learning community.

More

To begin, I recommend taking a few minutes to explore the course site. Review the material we'll cover each week, and preview the assignments you'll need to complete to pass the course. Click **Discussions** to see forums where you can discuss the course material with fellow students taking the class.

If you have questions about course content, please post them in the forums to get help from others. You can also review those questions already asked by other students to see if yours has already been answered. If you run into any technical problems with the course, reach out to the Learner Help Center.

Good luck as you get started, and I hope you enjoy the course!

Congratulations!

You've successfully completed Course 3 of 5: Structuring Machine Learning Projects
